Declaration of Conformity (CE)

Manufacturer's Name: Avtron Industrial Automation

Manufacturer's Address: 7900 E. Pleasant Valley Road
Independence, OH 44131 USA

Declares that the product:

Product Type: Incremental Hollow Shaft Encoder

Model Name: HS25A & HS35A Series Encoders

Conforms to the following generic immunity standards:

EMC: EN50082-2 for Heavy-Duty Industrial Environment
EN61000-4-2
EN61000-4-3
EN61000-4-4
EN61000-4-6
EN61000-4-8

The Models HS25A and HS35A have been found to be compliant with the requirements of EU Directive 89/336/EEC provided that the following conditions are met: The electrical supply to the HS25A/HS35A must be within specified limits. The electrical supply must offer suitable protection from voltage surges unless the application does not require such protection.
